Bluerock Homes Trust, Inc. (NYSE American: BHM) is an externally managed real estate investment trust (REIT) formed to assemble a portfolio of infill first-ring suburban single-family rental homes in knowledge-economy and high quality of life growth markets across the United States, targeting middle-market single-family home renters. We have elected to be taxed as a real estate investment trust, or “REIT,” for U.S. federal income tax purposes and we intend to continue to operate in accordance with the requirements for qualification as a REIT.

An investment in **Bluerock Homes Trust** (“BHM”) involves substantial risk. See the “Risk Factors” sections of the Prospectus and any accompanying Prospectus Supplement for a discussion of material risks related to an investment in BHM’s Series A Redeemable Preferred Stock, which include, but are not limited to, the following:

- There is no assurance that we will be able to achieve our investment objectives.
- If we are unable to acquire suitable properties or investments, or suffer a delay in doing so, we may not have cash flow available for distribution to you as a stockholder.
- There is currently no public trading market for shares of our Series A Redeemable Preferred Stock, and we do not intend to list them on a securities exchange. As a result, our shares of Series A Redeemable Preferred Stock should be considered as having only limited liquidity and may be illiquid. If you sell your stock, it may be at a substantial discount.
- Other than investments disclosed in a supplement hereto prior to an investor’s investment; investors will not have the opportunity to evaluate the economic or other merits of any of our future investments prior to our making them.
- This is a “best efforts” offering and if we are unable to raise substantial funds, then we may be more limited in our investments.
- We may change our investment policies without stockholder notice or consent, which could result in investments that are different from those described in the Prospectus.
- Some of our executive officers, directors and other key personnel also serve as officers, directors, managers, key personnel and/or holders of an ownership interest in the Manager, the Dealer Manager, and/or their respective affiliates. As a result, they face conflicts of interest, including but not limited to conflicts arising from time constraints, allocation of investment opportunities among their affiliated entities and us, and the Manager’s compensation arrangements with us and other programs advised by them.
- Although dividends on the Series A Redeemable Preferred Stock are cumulative, dividend payments on the Series A Redeemable Preferred Stock are not guaranteed. Our board of directors must approve actual payment of the dividends and can elect at any time not to pay any or all accrued distributions.
- We may fail to qualify as a REIT, which would adversely affect our operations and our ability to make distributions to our stockholders, and may have adverse tax consequences to you.
- Compensation paid to our Manager in connection with transactions involving the management of our investments will be payable regardless of the quality of the investments made or of the services rendered to us. This arrangement could influence our Manager to recommend riskier or unsuitable transactions to us.
- We will rely totally on our Manager to manage our business and assets. Adverse changes in the financial condition of our Manager or its affiliates, or our relationship with our Manager, could adversely affect us and our stockholders.
- Our use of leverage, such as mortgage indebtedness and other borrowings, increases the risk of loss on our investments.
- Distributions paid from sources other than cash flow from operations may constitute a return of capital and reduce investor returns. Rates of distributions to stockholders may not be indicative of our operating results.
- Beginning two years from the date of original issuance, we may redeem the outstanding shares of Series A Redeemable Preferred Stock, without your consent, at 100% of the Stated Value per share, plus any accrued and unpaid dividends in cash or shares of BHM’s Class A Common Stock at BHM’s discretion.
- Holders of shares of Series A Redeemable Preferred Stock will have no voting rights or control over changes in our policies and operations. Our board of directors may approve changes to our policies without your approval.
- Our charter contains various restrictions on the ownership and transfer of our securities.
