### C – INVESTOR(S) SIGNATURES:

- Under penalty of perjury, by signing this Additional Investment Account Application, I (we) hereby certify (a) I (we) have provided herein my (our) correct Taxpayer Identification Number; (b) I am (we are) not subject to backup withholding as a result of failure to report all interest or dividends, or the Internal Revenue Service has notified me that I am (we are) no longer subject to backup withholding; and (c) I am (we are) a U.S. Citizen unless I (we) have indicated otherwise in Section 4 of a previously executed and submitted account application. **Each investor must separately sign this Additional Investment Account Application.**
- I (we) acknowledge receipt of the final Prospectus of the Fund and agree to be bound by the terms contained therein.
- I (we) have full authority and am of legal age to purchase shares of the Fund and confirm that the information contained on this Additional Account Application is complete and accurate. I (we) represent that I am (we are) purchasing the shares for my (our) own account; or, if I am (we are) purchasing shares on behalf of a trust or other entity of which I am (we are) trustee(s) or authorized agent(s), then I (we) have due authority to execute the Account Application/Signature Page and do hereby legally bind the trust or other entity of which I am (we are) trustee(s) or authorized agent(s).
- I (we) acknowledge the following: the Fund is an illiquid investment and is suitable only for investors who can bear the risks associated with the limited liquidity of the Fund and should be viewed as a long-term investment; the Fund will ordinarily declare and pay dividends from its net investment income and distribute net realized capital gains, if any, once a quarter, however, the amount of distributions that the Fund may pay, if any, is uncertain; the Fund may pay distributions in significant part from sources that may not be available in the future and that are unrelated to the Fund's performance, such as a return of capital and borrowings; and any total return the Fund achieves will be reduced by the applicable fees and expenses for each share class, which will lower investors' return; and I (we) will pay offering expenses and, with regard to those share classes that impose a front-end sales load, a sales load of up to 5.75%, so that I (we) will have to receive a total return at least in excess of these expenses to receive an actual return on my (our) investment.
- If Fund shares are being purchased on behalf of an investment company (as that term is defined under the Investment Company Act of 1940), I (we) hereby certify that said investment company will limit its ownership to 3% or less of the Fund's outstanding shares.
